

VISITMANTUA

The Ducal Palace

The Ducal Palace of Mantua has more than 500 rooms. Obviously not all of them are open to the public: the visitor's route includes about 40 spaces, and it stretches over three and a half kilometres (2 miles).

The proposed tour includes a visit to the Mantegna frescoes in the Bridal Chamber (Camera Picta aka Camera degli Sposi). Inside the Palace you'll be able to admire paintings by Pisanello, Giulio Romano, Rubens and wonderful tapestries designed by Raphael.
